

**Rome MOTUS NCC is a luxury chauffeur company that has been growing consistently in the last 30 years and is now the partner of choice for high class hotels in the city.**

**The company was built upon the idea of always striving to provide our clients with the best service possible, both in terms of efficiency and quality of the experience.**

**MOTUS NCC's employees are dedicated professionals who have been in the industry for years and adhere to the highest standards of professionalism, they all speak several languages and have been hired for their natural talent for customer service.**

**We pride ourselves to only go for the best when it comes to cars: our clients will always experience the very top Mercedes on the market today, from the new V class luxury capable of transporting up to 8 people in total comfort to the more traditional E and S classes.**

**And what is more, we are always here when you need us: our offices are open every day and our call center service operates non-stop 24/7.**

**Choosing Rome MOTUS NCC is not only about getting the best possible service but allows our clients the chance to get to know something more about the most beautiful city in the world thanks to the quality of our people and the effort we are all putting in making this the best company in our space.**

**Thanks for taking the time to read this message, we do hope to see you in one of our cars in the future.**
